

## **Parish Council Meeting Notes**

**July 17, 2018**

- Parking lot repairs will be made this summer. The lower lot will have the cracks filled and then sealed. The upper lot will be sealed.
- Rectory updates: a canopy will be installed to cover the patio at the rear of the rectory. PVC fencing around the patio area will provide privacy and a couple of small garden areas will be made. The Men's Society has contributed to the cost of the project.
- We have 37 SJN students registered at St. John the Baptist School for the coming year.
- The Youth Ministry has been busy. They have taken trips to Washington, DC and to Steubenville, OH. A potluck supper was held in June with 80 people attending. The summer session of Totus Tuus went well.
